

## MICRO CAP PROGRAM

### **Overview:**

- **Investment Range:** Euro 280,000 to Euro 5 Million.
- **Historical Returns:** Previous versions have seen up to 15% monthly returns, but past results don't guarantee future performance.
- **Insurance:** Participant funds have an insurance component with Lloyds of London. Details available on request.
- **Duration:** 12 months, with potential extensions.

### **Process:**

1. Complete KYC/CIS and provide Proof of Funds.
2. Receive a Hedge Fund agreement post-compliance.
3. Transfer funds to initiate the investment.
4. Investment typically starts within 30 days of funding.
5. Monthly profits credited to your designated account. Principal returned at contract end, per terms.

### **Illustrative Example:**

- €300,000 investment at a hypothetical 15% return: €45,000/month or €540,000 over 12 months.

**Note:** Our program has a 4-year history. Consistent past commitments don't negate investment risks.
